Buildtec Services Ltd

Schools Showcase - 2019

Building

We welcome all projects, large and small and specialise in creating an environment that's considerate to staff, customers, students, residents and neighbours.

Maintenance

We offer a complete, all-trade maintenance service with a same-day response – giving you peace of mind.

Refurbishment

We deliver high quality solutions for companies moving office or needing to update the current workplace.

"Having worked with Buildtec Services for many years I have an excellent working relationship with their management. I will be using Buildtec Services for future projects and would highly recommend them."

London Diocese

"I have no hesitation in recommending Buildtec Services Ltd as a reliable and trustworthy contractor and will be using them for future works at the school. Excellent in his project management."
